Education

Swami Keshvanand Institute Of Technology Management & Gramothan (RTU)	2023–2027
B.Tech – Computer Science (AI) – 9.4 (CGPA)	Jaipur, Rajasthan
Blue Star Public Sr. Sec. School	2022–2023
12th – Rajasthan Board Of Secondary Education – 93.2%	Jaipur, Rajasthan
Blue Star Public Sr. Sec. School	2020–2021
10th – Rajasthan Board Of Secondary Education – 98%	Jaipur, Rajasthan

Expierence

Web Development Intern, Kistechnosoftware Pvt. Ltd.	June 2025 - July 2025
- Developed Imagify, a web application for image processing using React.js, JavaScript, HTML, CSS. - Integrated external APIs to generate images dynamically based on user input.	

Projects

Fundflow React , Node.js , Express.js , MongoDB , Razorpay API , Cloudinary API 	2026
- Built a full-stack crowdfunding platform with secure authentication, campaign management, dashboards, search/filter functionality, and image uploads. - Integrated Razorpay payment gateway, real-time donation tracking, campaign progress updates, and email notifications for user activity. - Developed scalable backend APIs with optimized database queries, input validation, and efficient state management for secure and reliable performance.	
Snappy React , Node.js , Express.js , MongoDB , Socket.io 	2025
- Developed a real-time chat application with instant messaging, responsive UI, and seamless user interaction. - Built secure RESTful APIs for authentication, message handling, and conversation management with optimized backend architecture. - Implemented WebSocket-based communication for live synchronization and real-time message delivery.	
Imagify React , Node.js , Express.js , MongoDB , ClipDrop API , Razorpay 	2025
- Developed an AI-powered image generation platform using the ClipDrop API for text-to-image generation. - Implemented JWT authentication and secure payment verification for protected access and transactions. - Built scalable backend APIs for image generation, credit management, payments, and image history.	

Skills

Languages: Core Java, HTML, CSS, Javascript, SQL

Technologies/Frameworks: Bootstrap, ReactJS, NodeJS, ExpressJS, MongoDB, Tailwind CSS, Socket.io

Developer Tools: VS Code, IntelliJ, Postman, Git, GitHub

Coursework: DSA, OOPs in Java, DBMS, Computer Networks

Development: Frontend Web Development, MERN Stack Development

Certifications

- Team Leader Certification – SIH Prelims 2025 **(Certificate)**
- Adobe India Hackathon Participation Certificate – 2024 **(Certificate)**

Extracurricular Activities

- Built the official fest website for Pravah 2026 at **SKIT Jaipur**, featuring a Navras-themed interactive design.
- Coordinated the **Coding League** event at Pravah 2025, ensuring smooth execution and engagement.
